

# Welcome to Welton Manor Golf Club

## Welton Manor Community

As a new member to our golf club, we are eager to ensure you enjoy your time at Welton, and are able to receive great value from your membership. We always welcome new faces, and will often arrange social roll ups for individuals and groups of friends to get involved in some friendly golf. We can arrange groups, which can take the stress away from individuals having to find their own playing partners. We also run regular competitions for golfers with handicaps, and these are always played in extremely good spirit (and often some very questionable golf ability).

We have a Facebook group, Welton Manor Golfers, in which members can join. There is also a WhatsApp group that members can be added to upon request (please ask at the golf reception and we will pass your details onto the relevant party). The purpose of these is to help share information about what is going on at the club, whilst also providing a good platform for members to arrange rounds of golf with other members. We have our Business Facebook page, *Welton Manor Golf Centre and Falconer Restaurant*, please email us on [info@weltonmanorgolfcentre.co.uk](mailto:info@weltonmanorgolfcentre.co.uk) with photos etc. for us to upload onto our page and leave us reviews on the page too for potential new members to see!

## Handicaps

If you already have a handicap, or have previously held a handicap, then please let us know. If you have provided this information on your Membership form, we can process this for you when you join. However, if this has not been done, you can contact Jacqui Brinicombe (see contact details at end) who can update your records.

Please could you contact the management team if you wish Welton Manor to be your Home Club. If not, we will assume that you continue to be a member of your former club, which will remain your Home Club and Welton will be your Secondary Club.

### Obtaining First Handicap

For those without a handicap, but wish to obtain one, you will need to submit 3 18-hole rounds of golf, played under the Rules of Golf. Each hole must be played, although it is acceptable to quit a hole if the score is going to exceed double par, then move to the next.

Scorecards should be submitted (please see demonstration Scorecard for details), and must include a Marker. The physical scorecard should be submitted in the box under the main Mens Noticeboard. However, if a clear photo is sent to Jacqui Brinicombe, these scores can be processed more quickly. Once all 3 scores have been submitted, we will issue you a Handicap Index. For more details on how the World Handicap System (WHS) works, please refer to the flyer later in this document.

### Howdidido and WHS App

Once you have a handicap, you will be able to Register with [www.howdidido.com](http://www.howdidido.com) as a Welton Manor player, and also register with MyEG App for the WHS. To hold an official WHS Handicap Index, a player must submit their e-mail address and date of birth to WHS. However, if these have been provided when registering with Welton Manor, we can update that information for you.

Howdidido allows members to book into competitions, sign-in to competitions before teeing off, submit scores, see competition results and submit General Play scores. We have a PSI machine here

at the club you can use to do this on. There are also forums, including a Club Forum that may be used from time to time to share useful information.

The MyEG App allows players to view their scoring history, and see what scores are being used to calculate their current Handicap Index. It also includes useful tools, such as calculating your Course handicap at different courses and tee boxes.

### General Play Scores

Members can enter scores from General Play golf, by using howdidido. However, it is important that members commit to this before teeing off to fulfil their responsibilities under handicapping (i.e. a player cannot decide whether or not to submit a score AFTER they know what that score is). The process is as follows:

- On howdidido, go to Today's Golf and Sign-In to a Casual Round before teeing off (and on the same day as playing). Ensure you select "Qualifying", as "Non-Qualifying" will not be used for handicap, and select the correct tees you will be playing off.
- Play the round of golf, under the rules of golf, with a Marker.
- After the round, go to Today's Golf again and enter your score, along with other relevant details.
- Submit your physical scorecard in the box under the Mens Noticeboard.
- If multiple players in the group wish to submit their scores for handicap, please submit these on separate scorecards rather than all on one scorecard. This is to ensure these can be filed separately.

The MyEG App can also be used to pre-register and submit scores for General Play rounds. If you are playing at another course you are not a member of, and wish to submit a score, then you should use the MyEG App.

If you have any queries, please contact Jacqui Brinicombe or Erol Palsay.

### **Competitions (Main Club)**

Welton Manor runs competitions throughout the year including social roll ups, over most weekends, as well as some midweek competitions. Competitions will be held on either a Saturday or Sunday each weekend, thereby offering flexibility members who may have restricted playing time over the weekends. A competitions fixtures list will be attached to your welcome email.

We would love to welcome all members to get involved in competitions, which are always played in a friendly, sociable atmosphere. You will need a handicap to compete in a competition, but we would be happy for those without a handicap to be included in the draw, to give them an opportunity to play in a group and get a scorecard submitted for their initial handicap (members without a handicap will not be required to pay the competition entry fee).

In most cases, the competition entry fee is £3 with optional extras of £1 for entering the 2's pot and £1 for the Captain's charity. Therefore, the total fee is typically £5 plus any green fee that is due, based on your membership. When entering the 2's pot, all players who score a 2 in that competition will share the total pot, divided up for each 2 scored. For those that enter the Captain's Charity, a winner will be randomly drawn and be awarded half the pot. The other half of the pot will go to the Captain's Charity.

We also run singles and doubles match play tournaments through the summer and winter. These are drawn at the start of the summer and winter seasons.

Once players have a handicap, they can register with [www.howdidido.com](http://www.howdidido.com) and this allows players to book into competitions, see results, register and submit scores for general play rounds, etc.

For any further information, please do not hesitate to contact us.

### **Seniors Section**

The Seniors Section generally play their competition golf and friendly matches on Wednesday mornings. More information can be found by contacting the appropriate contact below, or visiting:

[www.seniorsgolfwelton.org.uk](http://www.seniorsgolfwelton.org.uk)

### **Ladies Section**

My name is Jacqui and I'm a member at Welton Manor, and I am a member of the association group. On behalf of the lady members and the association, a very warm welcome to the club.

We have a lovely group of ladies who have a wide range of handicaps (and some with no handicaps) but all enjoy a social round of golf with no pressure and lots of chat.

We have a WhatsApp group which you are welcome to join, but if you prefer email contact, not a problem.

I am happy to answer any questions you have and if you can join us for a round, please let me know. My mobile number is 07851120552.

Hope to meet you soon.

*Jacqui Brinicombe*

### **Captains Report**

Being asked to be the club captain is one of the highest honours club golfers can experience. I am incredibly humbled to be Captain for the 2022 season. Golf has been through an incredibly turbulent time in the last 2 years, Welton Manor as all other clubs has had to fight to weather to COVID pandemic but I truly believe we have come out the other side in great fighting spirit.

I am in such a fortunate position as the course and the membership are in a fabulous place. We have some of the best greens in the area and our facilities and course improvements are a testament to the effort the owner and staff are investing into the club. Our membership is such a friendly group of people who are some of the most welcoming and inclusive group of golfers I've ever met.

We have many competitions throughout the season and we always look forward to welcoming new and existing members to play some competitive golf with us. As Captain I also get the privilege to lead our Welton Manor League Team in the upcoming seasons Division 1 campaign. I hope to continue the past traditions and hopefully we can have a winning season but more importantly a fun season.

I look forward to leading Welton Manor into a bright and successful season. I also would like to introduce my Vice-Captain as Mr Paul Todd, he is one of my best friends and having him alongside me to share my year is a privilege.

*Adam Colbourne*

### **Contact Details**

Please make sure you contact [info@weltonmanorgolfcentre.co.uk](mailto:info@weltonmanorgolfcentre.co.uk) or speak to one of the managers at the golf reception regarding any questions, queries, comments, complaints or suggestions for improvement. Please only speak to the members on the Welton Manor management and members association regarding their posts.
